

1 Changing strategy question DTU2

Did you ever choose differently after seeing the same arrival time again at a later point in the game? Why or why not?

1.1 Yes

1. Code for participant: b6erzgw2 Changing strat answer: Yes
2. Code for participant: ia2nt1g7 Changing strat answer: Yes after adapting to my partners behaviour.
3. Code for participant: 95r4cajr Changing strat answer: Yes, as it was uncertain
4. Code for participant: bykshrd2 Changing strat answer: Yes. I expected my co-player's and my previous action as an agreement and he/she did as well.
5. Code for participant: rqot027h Changing strat answer: Yes, because I lost my goddamn money
6. Code for participant: qjr6j2nr Changing strat answer: If I did, it would be because I arrived at 9:00 and there would be a 50-50 chance of either choice being correct.
7. Code for participant: iie9gnub Changing strat answer: Yes, depending on what the other player choose
8. Code for participant: tzahpbo1 Changing strat answer: Yes because he kept going to the office
9. Code for participant: pg5q8er0 Changing strat answer: probably, I can't remember for sure, but seeing my colleague consistently make the same choice as me made me more confident for times close to 9:00
10. Code for participant: 0d4kjemb Changing strat answer: Yes first couple rounds had to find the cutoff time
11. Code for participant: y2guuz54 Changing strat answer: After seeing 8:50 multiple times and seeing that me and my partner disagreed I started to adapt to his/her pattern.
12. Code for participant: socxm37u Changing strat answer: Perhaps from experience
13. Code for participant: b53k1epx Changing strat answer: Yes
14. Code for participant: bufvlp2i Changing strat answer: Yes
15. Code for participant: dcaw976a Changing strat answer: Yes, same as before

16. Code for participant: d9gjkz3u Changing strat answer: Yes, because it might be more likely to happen again
17. Code for participant: s78dqnvu Changing strat answer: sometimes after seeing my colleague has different idea with me
18. Code for participant: d80v1d76 Changing strat answer: Yes to avoid getting a penalty
19. Code for participant: z1plx5ri Changing strat answer: Yes. Because I learned more about how the game was functioning.
20. Code for participant: 8tst1s28 Changing strat answer: Yes

1.2 No

Code for participant: awyxy9kj Changing strat answer: No

1. Code for participant: r6ol7nz6 Changing strat answer: No because they should be independent events
2. Code for participant: 2910zpm1 Changing strat answer: No
3. Code for participant: dy01d3ti Changing strat answer: No because the office time is more important
4. Code for participant: 354c0pma Changing strat answer: No, I only became more uncertain.
5. Code for participant: vl6vptcz Changing strat answer: No
6. Code for participant: jwzifpcw Changing strat answer: No. 8:30 and before i always canteen
7. Code for participant: vb2fenof Changing strat answer: Not really. Maybe once, just to do it.
8. Code for participant: g4t3i56c Changing strat answer: No
9. Code for participant: 7uvkoyyl Changing strat answer: No, didn't pay attention to my partner's answers actually
10. Code for participant: 5yxo9new Changing strat answer: No, always same strategy.
11. Code for participant: euo571of Changing strat answer: NO
12. Code for participant: m34i6dkf Changing strat answer: I didnt, maybe i should have
13. Code for participant: 6om6iwep Changing strat answer: No. Same approach every time. If I'm consistent, I'm reliable.
14. Code for participant: fihx7944 Changing strat answer: No

1.3 Misc.

1. Code for participant: 3bvejf44 Changing strat answer: .
2. Code for participant: fex2yomp Changing strat answer: Q
3. Code for participant: mpulzlwY Changing strat answer: Just test the opposite depends on the penalty I have got before
4. Code for participant: yd0llx75 Changing strat answer: .
5. Code for participant: jghl3ft6 Changing strat answer: I don't know
